Glass Storage Bottle User Manual (AliExpress)

1. Product Introduction

This glass storage bottle is made of high-quality food-grade glass, non-toxic, odorless and transparent, allowing you to clearly see the contents. It features a leak-proof lid, suitable for storing grains, spices, snacks, tea, coffee and other dry foods. Durable, easy to clean and stylish, it is perfect for home storage and kitchen use, fitting AliExpress home decoration needs.

2. How to Use

① Before first use, clean the bottle and lid with warm water and a soft cloth, then dry thoroughly. ② Put dry food into the bottle (do not overfill), close the lid tightly to ensure a leak-proof seal. ③ Place it in a cool, dry place away from direct sunlight. ④ Clean it with a soft cloth after use; avoid using sharp tools to scratch the glass.

3. Notes

Do not drop or hit the bottle to avoid breakage. Keep away from unsupervised children. Do not hold hot liquids over 80℃ or corrosive substances. Do not put it in the microwave, oven or freezer. If the bottle is broken, stop using it immediately to avoid injury. Clean regularly to keep it hygienic and extend its service life.
